

Covid-19 Update

Longriders RV Park is committed to the health and safety of our valued guests, our staff, and their families. To achieve this goal, we have implemented procedures to enhance our already high standard of cleaning and disinfecting of all common areas.

Our shared washrooms and showers are closed; however, our outhouses will remain open for your use. You must bring your own toilet paper and hand sanitizer when in use. The laundry room is open and will only allow one customer at a time. We have hand sanitization stations in all park buildings.

We are monitoring and following the guidelines of our local health authorities taking all necessary precautions to achieve the highest level of safety possible. Any guest with a reservation who is experiencing any symptoms is encouraged to cancel.

Thank you for your patience during this difficult time.
Feel free to contact us with any questions at 780-923-3300.
